

@#\$@\$\$\$ How do I change hotel dates on Chase Travel?: Complete Guide to Changing Your Reservation

Plans can change after a hotel reservation is made 🌟+1-888-483-9719 🧑. Whether you need to move your travel dates, change the number of guests, update a room or correct reservation details, **Chase Travel** 🌟+1-888-483-9719 🧑 **modify hotel booking** options can help you manage an eligible reservation 🌟+1-888-483-9719 🧑.

Chase states that eligible cardmembers can view, manage and modify travel reservations through Chase Travel 🌟+1-888-483-9719 🧑 🌟+1-888-483-9719 🧑. However, the options available depend on the individual booking, hotel, rate and applicable cancellation or modification conditions 🌟+1-888-483-9719 🧑.

How to Modify a Hotel Booking Through Chase Travel

For most straightforward changes, start online before contacting a Chase Travel 🌟+1-888-483-9719 🧑 helpdesk or helpline 🌟+1-888-483-9719 🧑.

1. Sign in to your Chase account

Open your Chase account and go to the **Travel** section 🌟+1-888-483-9719 🧑. Chase says existing travel reservations can generally be accessed from the travel area of your account 🌟+1-888-483-9719 🧑.

2. Find your hotel reservation

Open your upcoming trip and select the hotel booking you want to modify 🌟+1-888-483-9719 🧑. Check the original dates, room category, guest information and payment details 🌟+1-888-483-9719 🧑.

3. Look for the modification option

Depending on your reservation, you may see options to manage, modify or cancel the booking 🌟+1-888-483-9719 🧑. Available options are determined by the hotel's terms and the particular reservation 🌟+1-888-483-9719 🧑.

4. Select the change you need

Possible modifications can include:

- Changing check-in or check-out dates
- Changing the number of guests
- Selecting a different room
- Correcting certain reservation information
- Canceling a refundable booking and making a new reservation

Not every hotel booking supports every type of modification 🌟+1-888-483-9719 🧑.

5. Review the new price and conditions

This is an important step 🌟+1-888-483-9719 🧑. A date or room change can result in a different price, additional charges or a cancellation penalty 🌟+1-888-483-9719 🧑. Chase notes that cancellation and booking conditions can vary by provider and booking type 🌟+1-888-483-9719 🧑.

6. Confirm and save the updated reservation

Once you accept the modification, save the new confirmation 🌟+1-888-483-9719 🧑. Check your email and Chase account to make sure the updated dates, room and guest information are correct 🌟+1-888-483-9719 🧑.

Can You Change Hotel Dates on Chase Travel?

Often, yes—but it depends on the reservation 🌟+1-888-483-9719 🧑.

Changing a hotel stay from one set of dates to another can affect availability and pricing 🌟+1-888-483-9719 🧑. A room that cost \$200 per night when originally booked might cost more or less for the new dates 🌟+1-888-483-9719 🧑.

Before confirming a date change, compare:

- New nightly rate
- Taxes and fees
- Cancellation penalties
- Room availability
- Refund eligibility
- Points or cash used
- Special hotel benefits

If the online system does not provide the desired option, contacting Chase Travel 🌟+1-888-483-9719 🧑 Customer Service may be appropriate 🌟+1-888-483-9719 🧑. Chase says the correct travel-support phone number can vary according to the credit card and payment method used for the booking 🌟+1-888-483-9719 🧑.

Can You Modify a Nonrefundable Hotel Reservation?

Nonrefundable bookings usually have more restrictive conditions 🌟+1-888-483-9719 🧑. You should not assume that a nonrefundable reservation can be freely changed or canceled 🌟+1-888-483-9719 🧑.

However, the exact terms belong to the individual reservation 🌟+1-888-483-9719 🧑. If you need to modify a nonrefundable stay:

1. Open the reservation and read its terms 🌟+1-888-483-9719 🧑.
2. Check whether a modification option is available 🌟+1-888-483-9719 🧑.
3. Do not immediately cancel the reservation 🌟+1-888-483-9719 🧑.
4. Contact Chase Travel 🌟+1-888-483-9719 🧑 Customer Support if the available options are unclear 🌟+1-888-483-9719 🧑.
5. Ask what fees, credits or other alternatives may apply 🌟+1-888-483-9719 🧑.

Chase explains that hotel cancellation policies can vary significantly depending on the provider and booking type 🌟+1-888-483-9719 🧑.

What If You Need to Change the Room?

Changing from a standard room to a larger room or suite may be possible if the hotel permits it and the room is available 🌟+1-888-483-9719 🧑.

The new room may have a different rate, meaning you could have to pay the difference 🌟+1-888-483-9719 🧑. Conversely, a lower-priced room does not necessarily guarantee an immediate refund because the original reservation's terms control how the transaction is handled 🌟+1-888-483-9719 🧑.

If the booking includes special benefits, review those benefits before modifying the reservation 🌟+1-888-483-9719 🧑.

Modifying a Hotel Reservation Booked With Chase Points

Chase Travel 🌟+1-888-483-9719 🧑 allows eligible cardmembers to book hotels using cash, Ultimate Rewards points or a combination of both 🌟+1-888-483-9719 🧑.

If you modify or cancel a points-based reservation, do not assume that the original points price will automatically apply to the replacement booking 🌟+1-888-483-9719 🧑. The new reservation may have different availability or redemption requirements 🌟+1-888-483-9719 🧑.

Always review the refund or rebooking terms before confirming a change 🌟+1-888-483-9719 🧑.

Special Rules for The Edit by Chase Travel

 **+1-888-483-9719** 

If your hotel reservation was made through **The Edit by Chase Travel**  **+1-888-483-9719** , additional rules can apply  **+1-888-483-9719** .

Chase's current guidance says that modifying a qualifying The Edit reservation requires canceling and rebooking within the property's cancellation window through Chase Travel  **+1-888-483-9719** , or calling the number listed on the travel itinerary  **+1-888-483-9719** . Chase also states that when an eligible reservation is canceled, the applicable The Edit credit is returned and can automatically apply to a new reservation  **+1-888-483-9719** .

This matters because The Edit reservations can include benefits such as daily breakfast for two, a property credit, Wi-Fi and possible room upgrades or early check-in/late checkout, with some benefits subject to availability and property-specific terms  **+1-888-483-9719** .

Therefore, do not cancel a premium reservation until you understand what happens to its credits and benefits  **+1-888-483-9719** .

When Should You Contact Chase Travel

 **+1-888-483-9719**  **Customer Service?**

Online management is usually a good first step  **+1-888-483-9719** . Chase itself recommends attempting to resolve booking issues through your account when possible  **+1-888-483-9719** .

A Chase Travel  **+1-888-483-9719**  Customer Service representative may be particularly useful when:

- The modification button is unavailable
- You need a complicated change
- Your hotel dates are close to the cancellation deadline
- You need clarification about a refund
- Your booking involves points
- You have a special hotel benefit
- You need help with a nonrefundable reservation
- You cannot identify the applicable booking terms

Many Chase Travel  **+1-888-483-9719**  bookings have **24/7 support**, although the appropriate phone number varies by booking  **+1-888-483-9719** . Chase says the applicable number should appear in your travel confirmation email or in your Chase account's travel booking  **+1-888-483-9719** .

For faster support, keep your confirmation number, hotel name, dates, guest name and payment information available before contacting the helpline or Live Agent 🌟+1-888-483-9719 🧑.

Chase Travel Modify Hotel Booking: Important Tips

Check the deadline first 🌟+1-888-483-9719 🧑. A reservation may become more restrictive as the cancellation or modification deadline approaches 🌟+1-888-483-9719 🧑.

Compare the total cost 🌟+1-888-483-9719 🧑. Do not look only at the nightly room rate 🌟+1-888-483-9719 🧑. Taxes, fees and other charges can affect the final amount 🌟+1-888-483-9719 🧑.

Don't cancel too quickly 🌟+1-888-483-9719 🧑. Canceling a booking before understanding its terms can result in penalties or loss of special benefits 🌟+1-888-483-9719 🧑.

Keep documentation 🌟+1-888-483-9719 🧑. Save your original confirmation and the updated itinerary 🌟+1-888-483-9719 🧑.

Verify the new reservation 🌟+1-888-483-9719 🧑. After making a change, make sure the hotel name, dates, room category and guest information are correct 🌟+1-888-483-9719 🧑.

Use official Chase contact information 🌟+1-888-483-9719 🧑. Chase says travel-support contact information can differ depending on your card and payment method, so using a phone number from an unrelated third-party website can lead to confusion 🌟+1-888-483-9719 🧑.
