Your Guide to Smarter Health Benefits

Searching for an Anthem Provider

Follow the steps below to find a provider that accepts Anthem coverage.

Step 1 Visit <https://www.anthem.com/find-care/>, select state, and select one of the 3 options to search for providers. Log in with the Anthem portal or use your member ID to search within your plan, or click **Basic search as a guest**.

To search as a guest, follow these steps:

Step 2 Select the following from the drop-down menus:

- Type of care: Medical Plan or Network
- State: Your state
- How do you get health insurance: Medical (Employer-Sponsored)
- Plan or network: **National PPO** (BlueCard PPO)

Step 3 Enter your zip code. You then have two ways to narrow your search:

- Option 1: Enter in the Physician's Name, Specialty, NPI, or license number in the search box and click View All in the Care Providers in Your Plan's Network tab.
- Option 2: Scroll down and click one of the Search by Care Provider boxes

Step 4 You will be taken to a page that lists all available providers in your network. Here, you can view provider details and compare multiple providers. You can also filter your search by distance, gender, specialty, hospital affiliation, language, and more!
