What Is Chase Travel Hotel Booking?

Chase Travel is an online+1-(888)-483-9719 travel-booking platform available to eligible Chase cardmembers. Through the platform, customers can search for and book hotels alongside flights, rental cars, activities, +1-(888)-483-9719 cruises and other travel products.

One of the main advantages+1-(888)-483-9719 is that the travel-booking experience is integrated with eligible Chase rewards. Instead of moving between multiple websites, you can search for a hotel and determine+1-(888)-483-9719 how much the stay costs in cash, points or a combination of both.

Chase says eligible cardmembers+1-(888)-483-9719 can redeem Ultimate Rewards points toward hotel bookings through Chase Travel. +1-(888)-483-9719

How to Book a Hotel Through Chase Travel

The basic hotel-booking +1-(888)-483-9719 process involves these steps:

1. Sign in to your Chase account

Log in through the official Chase website+1-(888)-483-9719 or Chase Mobile® app.

2. Open Chase Travel

Navigate to the travel section associated +1-(888)-483-9719 with your eligible Chase card or rewards account.

3. Search for a destination

Enter your destination, check-in date, +1-(888)-483-9719 check-out date and number of guests or rooms.

4. Compare hotel results

Review the available properties and use+1-(888)-483-9719 filters to narrow the results based on price, amenities, location, +1-(888)-483-9719 hotel category and other available criteria.

5. Select your hotel

Open the property and review the available+1-(888)-483-9719 rooms. Pay close attention to the room type, +1-(888)-483-9719cancellation policy, taxes, fees, payment requirements and other restrictions.

6. Choose your payment method

Depending on eligibility and the reservation+1-(888)-483-9719, you can generally pay using your Chase card, +1-(888)-483-9719Ultimate Rewards points or a combination of points and card payment.

7. Review before purchasing

Check the dates, guest names, +1-(888)-483-9719 room category, total price, refund conditions and payment method.

8. Confirm the reservation

Complete the booking and save your +1-(888)-483-9719confirmation email and reservation details.

Chase describes the process as searching +1-(888)-483-9719for travel, selecting an option, choosing a payment method and confirming the trip. +1-(888)-483-9719

Can You Book Hotels With Chase Ultimate Rewards Points?

Yes. Eligible Chase cardmembers +1-(888)-483-9719 can use Ultimate Rewards points to book hotel accommodations through Chase Travel. +1-(888)-483-9719 You may also be able to combine points +1-(888)-483-9719 with cash, depending on the reservation and your account.

Before redeeming a large number of points, +1-(888)-483-9719 compare the points requirement with the cash +1-(888)-483-9719 price. The most convenient redemption isn't necessarily the most valuable one for every traveler. +1-(888)-483-9719

Another option for eligible cards +1-(888)-483-9719 is transferring Ultimate Rewards points to participating hotel loyalty +1-(888)-483-9719 programs. Chase identifies programs such as World of Hyatt®, +1-(888)-483-9719 Marriott Bonvoy™ and IHG® One Rewards as transfer-partner options for eligible cardmembers. +1-(888)-483-9719

How Much Are Chase Points Worth for Hotels?

The value of Ultimate Rewards points +1-(888)-483-9719 depends on the redemption method and the Chase card involved.

Chase states that points can +1-(888)-483-9719 have different values depending on how they are redeemed. For certain eligible Chase Travel +1-(888)-483-9719 bookings, promotional opportunities such as +1-(888)-483-9719 Points Boost can increase the effective redemption value on selected hotels and flights. +1-(888)-483-9719

For this reason, don't judge a hotel solely +1-(888)-483-9719 by its points price. Compare the cash rate, points +1-(888)-483-9719 requirement, room conditions and any available promotion.

What Is Chase Travel Points Boost?

Points Boost is a Chase Travel feature that +1-(888)-483-9719 can provide enhanced point value on select +1-(888)-483-9719 hotels and flights for eligible cardmembers.

Chase says Points Boost offers are identified +1-(888)-483-9719 with a Points Boost label and rocket icon +1-(888)-483-9719 in search results. Offers rotate and are subject to availability.

For example, eligible Sapphire Reserve +1-(888)-483-9719 cardmembers can receive up to 2x points value on certain +1-(888)-483-9719 top-booked hotels, including eligible properties within The Edit. Sapphire Preferred +1-(888)-483-9719 cardmembers can receive up to 1.5x on qualifying offers.

Because these offers change, +1-(888)-483-9719 check the actual rate displayed in Chase Travel at the time +1-(888)-483-9719 you book rather than relying on an old promotion.

What Is The Edit by Chase Travel?

The Edit by Chase Travel® is a curated collection of hotels and resorts offering additional benefits to eligible Chase cardmembers.

Chase describes The Edit as a collection of more than 1,400 hand-picked hotels and resorts worldwide. Eligible cardmembers can receive benefits when booking qualifying prepaid stays at participating properties.

Benefits can vary by property and eligibility, so review the individual hotel listing before booking.

Can You Earn Hotel Loyalty Points When Booking Through Chase Travel?

Historically, one reason travelers sometimes preferred booking directly with hotels was the possibility of earning hotel loyalty rewards.

Chase now offers **Loyalty Plus**™ for eligible bookings and participating hotel brands. Chase says eligible cardmembers can earn hotel loyalty rewards in addition to Ultimate Rewards points when qualifying stays are booked through Chase Travel. Hotel-program rules apply.

Eligible cards and participating hotel brands can change, so verify the current eligibility shown for your reservation.

Chase Travel vs. Booking Directly With the Hotel

Neither option is automatically best.

Booking through Chase Travel may make sense when:

- The Chase Travel price is competitive.
- You want to redeem Ultimate Rewards points.
- Your card provides an applicable Chase Travel benefit.
- You find a valuable Points Boost offer.
- You qualify for benefits through The Edit.
- Your reservation qualifies for Loyalty Plus.

Booking directly with the hotel may make more sense when:

- The direct rate is lower.
- You strongly value the hotel's loyalty program.

- A direct-booking promotion provides better value. +1-(888)-483-9719
- You need to deal directly with the +1-(888)-483-9719 hotel for complicated changes.

Always compare the **same room type, dates +1-(888)-483-9719, cancellation terms, taxes and fees**. Comparing only the headline +1-(888)-483-9719 nightly rate can produce a misleading result.

Can You Cancel a Chase Travel Hotel Booking?

Cancellation depends on the hotel's rate +1-(888)-483-9719 and reservation conditions.

Some hotel bookings are refundable until a specified +1-(888)-483-9719 deadline. Others may be non-refundable +1-(888)-483-9719 or have a cancellation penalty. The relevant deadline and penalty should +1-(888)-483-9719 be displayed during the booking process and in your confirmation.

Before clicking “Book,” take a screenshot or +1-(888)-483-9719 save the cancellation terms. This can be particularly +1-(888)-483-9719 useful for prepaid reservations.

For an existing reservation, sign in to Chase and +1-(888)-483-9719 review the booking's available management options +1-(888)-483-9719. If the reservation cannot be changed online, use the contact information supplied with your confirmation. +1-(888)-483-9719
